Ward Priorities Going Forward

Safer Neighbourhood Teams will work towards up to three new priorities. The first priority will be set by the BCU and will be violence related or a violence driver. Ward panels will set a minimum of two local ward priorities.

- **Priority 1 – This will be set by the Safer Neighbourhood Team to include violence or drivers of violence. This broad category can include all violence types and can include Gangs, Drugs, Domestic Assaults, Violence against women and vulnerable people, public space safety, alcohol fueled violence and anti-social behaviour linked violence.**
- **Priority 2 – Local priority to be set by the ward panel – crime or ASB issue.**
- **Priority 3 – Local priority to be set by the ward panel – crime or ASB issue.**

Can the ward panel now discuss and decide the three ward priorities they wish to set or keep.
