Business News: Northwood Businesses Shine This Festive Season

I am delighted to welcome further new business members: **The Well Group and Healthy Homeopathy**. Kiran tells me they have been serving Northwood for over 20 years and I have only just discovered them!

Sadly, December also saw the closure of one of our longest-established shops, **Northwood Health Foods**. After 40 years of loyal service to our neighbourhood, **Ash** has decided to close the shop, as the majority of his business is now online, where he will continue to trade. We have a separate interview with Ash on page 7.

Although the festive season is now a fading memory, Northwood looked absolutely wonderful. Our local businesses put on some superb displays both inside and outside their premises. A kaleidoscope of festive windows is shown below, and at the centre are **Steve & Savita, owners of Northwood Cards & Gifts, who won the prize for our Best Window**. **Robsons** came second and **Olimera** third. Thank you to all our local residents who took the time to vote.

I would also like to give a huge thank-you and shout-out to **Omar Chagani**, owner of our local Costa Coffee. Omar generously allows us to use the shop's electricity supply, enabling us each year to hold our local Remembrance Service, run our NRA pop-up events, host Carols @ Costa, and, for the first time last December, celebrate **Northwood's first Chanukah lighting**. Despite the rain, and following the harrowing events on Bondi Beach a few days earlier, the turnout was extremely encouraging.

Finally, a reminder that all our business members and the services they provide are listed on our website under the Business Members tab, with click-throughs to their individual sites.

Looking for something? Start here and support a local business.

Brian Geminder
business@northwoodresidents.co.uk

NRA Membership Update

Once again, we have sent a reminder to all members with email accounts that subscriptions for 2026 are now due.

The response has been very encouraging. Over **28%** of our members have already paid, and we are grateful for their continued support. This figure would likely be even higher if we had email addresses for more members.

• **If you do not** currently have an email address listed with us, please forward it to membership@northwoodresidents.co.uk so that you can receive important NRA updates and Alerts. We will add it to our database to ensure you receive news and information about matters affecting Northwood.

• **We are also looking for additional Road Stewards** to help promote the benefits of NRA membership within their streets. There are still several roads within our "Defined Area" where we have limited coverage.

A list of the roads within the Defined Area can be found on page 17 of this newsletter.

Your support helps us maintain a strong and active residents' association that represents the interests of the Northwood community.

John King
Membership Secretary

Celebrating 60 Years of Community

— 1966 →  → 2026 —

Years of the Northwood Residents' Association

On 9 February 2026, the Northwood Residents' Association reaches an important milestone — **60 years** since its founding!

Founded on 9 February 1966 to address rapid changes in Northwood, the NRA has remained active and dedicated to preserving the community's character.

We thank all the residents, volunteers and committee members — past and present — who have helped shape and support the Association.

— **Happy 60th Anniversary to the Northwood Residents' Association!** —

From the Chairman — A Spring of Renewal in Northwood

INTRODUCTION

After four months of miserable weather the sun is shining, spring flowers are in bloom and bluetits are researching our nesting box. It feels great to be alive again.

As one gets older the winters seem to be longer and it feels so good to have the sun warming the old bones and not to have to put on so many clothes to feel comfortable. Soon the clocks will be changed to summer time and gardening will start in earnest.

Spring is here.

LOCAL HISTORY BOARDS

At our 2025 AGM, a member suggested that we spend some of our funds on **local history boards**. The Executive Committee thought that this was a good idea and you will find suggested details in Miles Gillman's article on page 11.

To do a decent job, we estimate that we will need a budget of £5,000 to £6,000 so we have an item on the AGM for discussion and approval of the cost.

DENNIS CAVE

After Dennis Cave's death last year, the Committee decided that we should remember him in some way as he had been a wonderful man who always endeavoured to make Northwood a good place in which to live.

He fought to retain our old trees and buildings and played a major part in "**Save our Northwood**".

We have paid for a silver birch tree to be planted in front of the Green Lane car park and a plaque inscribed with the words "**In Memory of Dennis Cave who fought to keep Northwood green**".

PRESIDENTS

Our current **President, Mrs Valerie Mellor**, will be retiring at the AGM and be succeeded by **Chris Duffy**, who was elected Vice President last year. We do not propose to appoint a replacement Vice President this year

Valerie has been a long serving member of the NRA and, as described in her article on page 6, has been a Road Steward, Committee Member and finally President. **Thank you Valerie for making such a valuable contribution to the NRA!**

Incoming President, Chris Duffy, was a partner in a City firm of lawyers and has been our honorary legal adviser for many years. **Welcome Chris!**

DIAMOND JUBILEE

The NRA was formed on **9th February 1966** by a group of local residents who were concerned at the gathering pace of change in Northwood, in particular with respect to in-fills. The initial membership was 839 and the constitution stated "The overall aim of the association is to maintain and develop a high standard of amenities and community spirit in Northwood". Although there has been a lot of change in the last 60 years our aim is still the same.

When doing some research for this article, I noted in the 2015 AGM minutes that I had found a successor to be Chairman but, for personal reasons, my planned successor was unable to take up the role. Thus, 10 years later I am still Chairman and have now served for 17 years. Whilst I still enjoying being your Chairman, and hopefully fulfilling the role to your satisfaction, I do need to find a successor.

EXECUTIVE COMMITTEE

All Committee members contribute many hours of their personal time to facilitate the smooth running of the NRA. As Chairman, I am fortunate and grateful to have such an excellent team.

As well as losing our President, 2 long-serving members have left or are leaving. **Peter Lansdown** retired in December having represented the Traffic and Highways portfolio for 11 years. **Paul Barker** will be retiring at the AGM. He has been the Chief Road Steward for nearly 14 years and, previously an Area Road Steward. Paul has spent hundreds of hours implementing our new Membership database.

David Carson was co-opted to replace Peter and **Richard Shave** has been nominated to replace Paul.

2026 AGM

I look forward to seeing as many of you as possible at our AGM on 21st May. As **Hillingdon Council elections** take place on 7th May we don't know who will be the Councillors answering your questions. We will miss Councillor Richard Lewis who has represented Northwood for the last 24 years.

CONCLUSION

I am proud and fortunate to serve as your Chairman and look forward to, at least, one more year. Thank you all who give your time to making the NRA a successful organisation.

Thanks also to the **Safer Neighbourhood Team** for holding down local crime and to our **Councillors, Henry Higgins and Richard Lewis**, and our hard-working MP, **David Simmonds**.

Planning Matters

Whilst slightly higher, there continue to be fewer planning applications than in previous periods. There have been **45 planning applications** since the last Newsletter. Out of those, I submitted objections or detailed comments on 8, based on very robust planning grounds relating to adverse impact on neighbours or others affected. The majority of applications continue to be for extensions to existing properties, but also a small number for the demolition of a whole building and erection of a new build house or block of flats.

Dealing with planning applications affecting you is very often a one-off for most. I am always happy to guide neighbours or others genuinely concerned about a nearby planning application through the intricate process. Once eventually approved, only the applicant can appeal against the decision, except on a very limited point of process. Therefore, all applications that might affect you should be carefully studied and strategically addressed, preferably within the stipulated timescale on the LBH planning portal.

It is remarkably easy to search for any specific planning application on the resourceful LBH portal using the following convenient link:

www.planning.hillingdon.gov.uk/OcellaWeb/planningSearch

If you are adversely affected, you can submit an objection directly onto the **LBH Planning portal**. This is straightforward after viewing the relevant documents online; simply return to the first page and enter the objection by pressing the 'Enter Comment' box.

If you want to present your case personally to the Planning Committee, a very powerful option, you can do so by producing a petition with a minimum of 20 signatures from local residents within LB Hillingdon.

That will entitle you to speak at the planning committee meeting for up to 5 minutes, and it is shown live on YouTube. I can help draft the petition and work with you on the proposed presentation to the Planning Committee.

The appeal hearing regarding the proposed change of use of the Former Police Station to a Children's Nursery has now been heard, but at the time of writing this article, not yet decided. I would like to thank those residents who helped by supplying photographs of the traffic congestion around the subject property, and those who attended the Hearing.

Trevor Sherling

planning@northwoodresidents.co.uk

After 14 Years: A Farewell from Our Chief Road Steward

Following my recent emailed request to members, 4 have now been enrolled as replacement Road Stewards, with a further 4 volunteers agreeing to be kept in reserve.

We now have **74 Road Stewards** being managed by **12 Area Road Stewards**.

Of our **2,971 named members**, 1,442 have email addresses recorded, so come on those of you reading this who have not yet notified us of your email address – you are missing out on receiving our Alerts on planned road closures and other items of urgent local news.

- and my usual plea – do please email me with any changes!
- (and there are a handful who can't receive the Alerts because your mailbox is full – do remove very old emails if your plan has a limit on the number it can store for you!)

I did send out by email early in January a request for '26 subs – thanks to the 442 who have already paid by BACS (which saves a lot of work for our membership secretary) and the further 16 who preferred to pay by cash or cheque deposited via Sharmans. – those who have not yet paid this year will see their request/reminder letter inserted with this Newsletter.

A Personal Note

This will be my last entry for the Newsletter as Chief Road Steward after 14 years in the role – my long-suffering wife Averil will be delighted to be no longer having **37 boxes** (see picture) of some **2,000** newsletters cluttering up our TV room 3 times a year - for up to 3 or 4 weeks - before all have been collected by ARSs for onward dissemination to their RSs!

Richard Shave has been shadowing my activities for some weeks now, preparatory to taking over from me for the Summer #193 Newsletter, and kindly agreed to store the boxes of this edition!

My thanks go to **Jan Harding** (Treasurer) and **John King** (Membership Secretary) for their tireless help to me in their roles, and to the several others who have fulfilled those duties over the last nearly 15 years.

Paul I. F. Barker

**Chief Road Steward &
Data Protection Officer**

chiefroadsteward@
northwoodresidents.co.uk

Local Policing *from the NRA Police Liaison Officer*

We have good news from our **Safer Neighbourhood Team** on the outstanding work carried out by the Northwood and Northwood Hills teams dealing with retail theft. They have increased the detection rate for retail thieves across the two wards to 42.52% (The Met police average is 5%). Our SNT has been put forward for a commendation for their sterling work. Congratulations from the NRA committee.

Your Northwood SNT has increased patrolling, visiting stores daily, building relationships with staff, reviewing CCTV footage, and providing updates on cases. However, please remember that it is up to each one of us to take the necessary precautions to keep ourselves and our loved ones safe.

For useful **"just in time"** safety advice, please subscribe to MetEngage/Neighbourhood Watch alerts. Details can be found in the Neighbourhood Watch column below.

These alerts are based on up to date information. For example: "If you are waiting in car parks, street parking or other venues waiting for someone or just checking messages, keep your car doors, windows and boots locked." For this and other useful advice, **subscribe today** to MetEngage/Neighbourhood Watch.

Keep safe, not sorry!

Your Northwood Safer Neighbourhood Ward Panel (Northwood SNWP) collaborates closely with the **Metropolitan Police Safer Neighbourhood Team, Hillingdon Council, Neighbourhood Watch and the wider community**, to build strong, trusted, local partnerships to help with local crime and safety issues.

We are always looking for reliable volunteers. If this sounds like you, please contact me at email below.

We also promote the MetEngage/Neighbourhood Watch alerts system at our **local NRA "Pop Up" events**.

Our next Event is on Saturday 11 April at 11 a.m. in front of Costa. Do come by and say hello!

Hoda Lacey
Chairman of Northwood Police
Ward Panel, NRA Police Liaison
Police@northwoodresidents.co.uk

Hillingdon Neighbourhood Watch (HNW) now has over 10,400 members, the highest membership of any of the 32 London boroughs. At Ward level, 10.3% of Northwood residents are members, which shows great community commitment from your area and puts your Ward in 9th place across the 21 Wards that make up our Borough. Members receive crime prevention messages and appeals from HNW, and from your police Safer Neighbourhoods Team (SNT) Met Engage messages.

The Ward with the highest membership now has 20.6% coverage and the police receive a strong response to appeals in that area that result in positive action including arrests, so if you are a Northwood resident and you are not already a member - or if you have a neighbour who you can encourage to join - please visit our website at www.hillingdonnhw.co.uk where you will find full instructions on how to sign up.

Membership is free, it's a national organisation, and it's a great way to be part of your community by helping the police to make Northwood a better place in which to live, work and relax. By ticking "The Police" as a messaging source when you sign up you will also receive messages directly from the police Met Engage system. Please also consider joining CCTV Watch - full instructions found here: <https://www.hillingdonnhw.co.uk/information/cctv-watch>

And finally, be aware of seasonal crimes and take steps to prevent them - for example, in warmer weather with jackets off there are more opportunities for personal theft; the longer evenings mean that your house will appear unoccupied partway through the evening unless a timeswitch is used; and holiday absences give burglars the opportunity to spot leaflets sticking out of letterboxes if you've not agreed with a neighbour to check daily and push them through your door. Crime reduction begins with crime prevention... which begins with you.

Thank you to all of our Northwood residents for your continued support of the Metropolitan Police and Hillingdon Neighbourhood Watch.

Dave Ludlow *Chairman,*
Hillingdon Neighbourhood Watch

Traffic and Highways

I joined the Committee for Traffic and Highways, building on Peter Lansdown's excellent work. Thank you, Peter, for many years of dedicated voluntary service. Your hard work is appreciated.

Potholes have dominated my thoughts for the last quarter. Their sheer number seems unparalleled during my whole time in Northwood. Incessant rain and freezing temperatures in January may be to blame. These difficult weather conditions have contributed to widespread road deterioration.

Hillingdon Council has reacted quickly in most instances, though some repairs had quality issues. Hertfordshire County Council appears less responsive: a dangerous section of failed road near **Batchworth Park Golf Club** is due for patching mid-March. We have liaised with relevant councillors.

Please report potholes to Hillingdon via www.hillingdon.gov.uk/article/7580/Potholesdamage-to-road-or-pavement and Hertfordshire at www.hertfordshire.gov.uk/services/highways-roads-and-pavements/report-a-problem/report-a-street-light-or-pothole.aspx.

If you receive no response, email me at traffichighways@northwoodresidents.co.uk.

Speeding and degradation in driving standards remain significant community concerns. We seek your invaluable views on speed limits across Northwood. There are two 20mph stretches: one in the town centre **along Green Lane to St. Helen's School**, the other along **Kewferry Road**.

Transport for London's **20mph initiative** has been applied across many central London boroughs. We want your views on whether a 20mph limit might be appropriate for additional Northwood areas.

We are mostly residential, and compelling safety arguments for a 20mph limit on many roads are evident. TfL's data (May 2025) shows a 34% reduction in people killed or seriously injured on borough roads. Measures also led to a **35% decrease in total collisions** and a **75% reduction in child deaths**.

While critics argue they cause congestion, studies indicate a negligible impact on overall journey times.

Hillingdon's current policy is to apply a 20mph limit only on roads alongside schools, but the council will entertain residents' submissions for limits elsewhere, subject to a robust cost/benefit analysis and available funding.

A critical topic for open discussion at the association's annual general meeting will be whether we should campaign to broaden the 20mph limit in Northwood.

Feel free to email me thoughts at; traffichighways@northwoodresidents.co.uk.

Enforcing compliance with existing speed limits is a related topic, with many residents concerned over adherence. More information on enforcement will follow.

In good news, the light-controlled junction at Green Lane with Rickmansworth Road is being upgraded to include essential pedestrian crossing functionality, with works scheduled for 2026/27. Contact me with any traffic or highways issues; we will engage with authorities where appropriate.

David Carson
traffichighways@northwoodresidents.co.uk

Reflections on Four Decades of Service

Anniversaries, anniversaries.... like the proverbial buses, you don't get one at a time. 2025 and 2026 are definitely the Years of Anniversaries.

This year, the 60th Diamond Anniversary of our excellent Northwood Residents' Association.

In 2025, the **85th Anniversary of the Battle of Britain** (thank you Hillingdon Council for incorporating the Union Flag), and the **80th Anniversary of the end of World War II** (grateful thanks to those still living and to all those no longer with us, who contributed to our victory.) It was also the 40th Anniversary of my own involvement with the Committee. Now that I am getting old - and proud to have survived so long - I can reflect on the past 40+ years. So much has happened in that time.

I had volunteered as a Road Steward, an excellent way to get to know the residents in my road. Then the **Chairman, Fergus Robertson**, invited me to join the Committee. Taking a particular interest in both Health and Business matters, I met many lovely people. Having served for eight years as Vice-President, in 2019 I was elected President.

Now at our forthcoming Annual General Meeting, it is time for me to retire in the certainty that the Association is in the hands of the current, very capable, Committee. Do remember that they are all volunteers and please give them your full support.

Valerie Mellor
PRESIDENT

BT Landlines and Change

Digital Voice and the landline phone switch-off: what it means for you

The old analogue network is being phased out and it has been advised that this facility should be closed by January 2027.

It is being replaced by a **digital voice network**. As this occurs **BT** expect that most people will not notice the change, but if you do or have difficulty, you are asked to go to a special section of the BT website and check for advice.

Please use this link www.bt.com/about/all-ip/connected-together to do that.

However, if you have special needs or are disabled, there is a section on this website to register with BT, just use the link above.

If you require contact by telephone, you should call BT on **0330 1234 150**.

Andrew Egan
environment@northwoodresidents.co.uk

Community Funds and Treasurer's Update

Thank you all for paying so promptly this year.

I would like to remind members that we continue to look for practical ideas as to how we can spend some of our surplus for the good of the Northwood Community.

We are always open to suggestions so please submit all ideas to any committee member and they will be put to the **Executive Committee**.

The Membership Secretary and I would like to **thank all members for paying their subscription** into the bank via the BACS system.

Please ensure that your name and house number or address/Postcode is stated on the bank details. The name comes up automatically so please add an abbreviation of your address as we have become experts as deciphering these.

For example I use **4 KBH HA6 2UY** and this identifies my flat number, an abbreviation of the address and the Postcode which is all we need. However, if you are paying for someone else it is useful to have their name as well.

If you wish to pay by cash or cheque please put this in an envelope with details of your name and address and return to your **Road Steward** or **Sharmans**.

The Bank Details are:

Northwood Residents Association
HSBC 40-35-08
Account number: 30614971

Jan Harding
treasurer@northwoodresidents.co.uk

Farewell to Northwood Health Food shop After 40 Years

After four decades on Green Lane, the Northwood Health Food Shop closed its doors at the end of December.

A rent increase, combined with the steady shift of almost 90% of sales to online platforms, made the closure of the much-loved retail outlet unavoidable.

A week before the shutters finally came down, I had the pleasure of sharing lunch with its owner, **Ash Sharma**.

True to his modest nature, he was reluctant to be interviewed. and when I explained that I felt compelled to write something—because so many local people had shared their own wonderful stories of encounters with him—he seemed genuinely touched.

Ash's warmth and easy manner have always been part of the shop's charm. When I asked how he first became involved in the health food and supplement world—long before such products were mainstream—he explained that it was his father who originally bought the shop, already trading in those items..

Ash arrived in England from Kisumu in Kenya at the age of fourteen with his parents, brother, and 2 sisters. Today, he has a family of his own, twin daughters and a son, all currently in higher education.

Curious about how he might spend his time now that he no longer needs to "man the shop," I asked about his plans.

Two hours later, after a lively conversation covering modern military strategy, international missile agreements, global economic treaties, and his favourite reading being Jane's military publications, I came away thinking he would be an excellent candidate for an entirely different job.

His presence on Green Lane will be greatly missed but will still be available at www.northwoodhealthfoods.com and on 07 777 803 739

“*Ash's energy, knowledge, and genuine care for his customers have made him a much loved figure in Northwood.*”

Brian Geminder
business@northwoodresidents.co.uk

A Message From Our MP, David Simmonds

Having closed the Urgent Care Centre last year, the NHS is now consulting on plans to **relocate the Cancer Centre at Mount Vernon Hospital to Watford General**. At the same time, the Labour Government has delayed the rebuild of its proposed new home.

While I welcome the opportunity for residents to have their say, I fail to see a tangible purpose when there isn't capacity at Watford General to meet and fulfil the proposals. With such uncertainty, I am concerned about the unnecessary worry the consultation is causing, especially for patients currently undergoing treatment at Mount Vernon. In terms of the move itself, I do not want to see the loss of accessible cancer care for patients in my constituency, and I will be making this clear in continued representations to the NHS.

Continuing with Mount Vernon, I was recently invited to visit the Michael Sobell Hospice. This is just one example of the many vital services at the hospital site, and I welcomed the opportunity to hear more about their work from **Chief Executive Jane** and her team. It is clear that the care and support provided is of enormous value and comfort to patients and their families at what must be an extremely difficult time. I am grateful to all for their work and dedication.

Moving to local planning matters, the future of the **former Northwood Police Station site** remains uncertain, with the most recent applications for a children's nursery refused by Hillingdon Council. The second of these was appealed, and I understand that following a recent hearing, a decision is expected in due course. As a historically significant building, it would be great to see it restored and in use. However, I share residents' concern about traffic, pollution and safety, and I will ensure these are fed back to the council.

Similarly, I also understand there to be some apprehension around planning applications for residential property on **Kewferry Road** to be converted into a children's home. Like local ward councillors, I have engaged with the **residents' association** on this matter and will continue to follow ongoing discussions.

In other local news, I am pleased to have visited **Frithwood Primary School** and **Northwood College for Girls**. With a background in education and children's services at Hillingdon Council, school visits remain one of my favourite duties as MP. I was interested to hear more about healthy school meals provided by local business The Pantry UK at Frithwood and to engage with pupils from Northwood College and nearby schools at their Student Leadership Day.

To contact Northwood MP, David Simmonds CBE:

*I am pleased to conclude with some positive news: **Hillingdon Council has received an overall rating of 'green'** under a new system to measure road maintenance and investment. The grading means that the council has been utilising funding to ensure that roads across the borough are well looked after. Following a tough winter, it is important for residents to have a council that prioritises the safety and condition of our roads.*

I continue to serve and support residents through my office and regular surgeries.

If you would like to get in touch, or follow updates, please use the contact details above:

Farewell from Cllr Richard Lewis

Over the past 24 years, it has been a genuine pleasure and a profound honour to serve as the local councillor for Northwood on Hillingdon Council. Representing this community has never felt like a duty alone; it has been a privilege, built on the trust and openness of residents who care deeply about the place they call home.

During my time on the Council, I have had the opportunity to take on a number of roles, including serving as **Chairman of the Corporate Services Policy Overview Committee** and as **Cabinet Member for Central Services, Culture & Heritage**. These positions brought responsibility and challenge, and I am proud of the work we delivered to strengthen services and support the wider borough.

But if I am honest about what has mattered most, it is not the titles or the meetings, it is the everyday work of helping the people of Northwood. Whether it was supporting a resident through a difficult issue, standing up for local priorities, or simply listening and making sure concerns were heard, that direct service has been the most impactful and the most rewarding part of my time as councillor.

Northwood has given me a great deal and I remain truly grateful for the chance to have served.

Warm regards, Richard Lewis

Elected councillor for Northwood ward:

Henry Higgins

From : The Arts Society Moor Park

ARTS FOR LIFE

Please help support this wonderful Charity in Northwood which has been supported by the Young Arts section of **The Arts Society Moor Park** for a number of years. Their aim is to support young people with ADHD, ASD and depression through Art Therapy workshops.

They have recently added pottery to their programme and are now setting up sewing workshops with the help of donations of sewing machines and materials from members of The Arts Society.

Their small premises are up for sale and **they are seeking donations to fund the mortgage payments** to buy that small place.

To see more about their work just open this link:
<https://www.artsforlifeproject.org/about-us>

Dear Friends, Volunteers, and Residents of Northwood,

I want to thank each of you for your generosity and dedication to the Poppy Appeal. Together, our community has **raised close to £17,730** – a truly remarkable achievement.

This success reflects not only the tireless efforts of our volunteers but also the kindness and support of Northwood residents.

Your contributions ensure that the Royal British Legion can continue its vital work for veterans and their families.

With heartfelt gratitude,

Elvie Grainger, Poppy Appeal Organiser 2025

New Partnership with Northwood Football Club

Mount Vernon Cancer Centre Charity has announced a new partnership with **Northwood Football Club**, which is raising vital funds in its centenary year to support people affected by cancer.

The partnership was launched at a **Valentine's Day event** at the club's Skyline Roofing Stadium, bringing together club members, charity representatives and supporters under the theme: **"Love your local hospital, love your local football club, love your community."**

The collaboration coincides with the club celebrating **100 years since its formation**, with plans to mark the milestone through community initiatives as well as football.

The year-long partnership focuses on wellbeing, compassion and community, with initiatives designed to support people affected by cancer, encourage connection and raise funds for the centre.

Funds raised will support the Lynda Jackson Centre, which provides emotional, practical and wellbeing support for people living with cancer and their families. Its services help individuals navigate the everyday impact of diagnosis and treatment with dignity and care. One of the club's flagship initiatives is **"In the Woods Together: a brew, a chat, a match"**, offering free match day tickets to patients undergoing cancer treatment and their families.

Northwood FC

Centre ambassador **Joan Parsons**, who attended the launch, said: "We offer so much more than treatment. Services include massage, reflexology, acupuncture, relaxation classes, mindfulness and art therapy."

"We also support people who have lost their hair during chemotherapy, helping them choose wigs, headscarves or whatever they feel most comfortable wearing."

Beth McNeil, head of fundraising for Mount Vernon Cancer Care Charity, added: "Support doesn't stop at the hospital door, and partnerships like this make a real difference to how people feel day to day. We're incredibly grateful to Northwood FC for creating something that brings warmth, understanding and connection into the heart of the community."

To find out more or support the partnership visit:
<https://www.northwoodfc100.co.uk/in-the-woods-together/>

Emergency Department performance ranked 9th in England.

For the week ending **2 February**, the Hillingdon Hospitals emergency department was ranked **9th in England** and was the top performing Trust in London for all types UEC performance. This is an outstanding achievement, and a real reflection of the hard work, teamwork, and commitment of our hospital staff.

The trust has also made significant progress on the Faster Diagnosis Standard (FDS) for cancer, which aims to ensure patients receive a confirmed diagnosis or have cancer ruled out within 28 days.

A wireless device transforming leg health

A wireless device known as the **'Bluedop'** is transforming how clinicians assess blood flow and determine the cause of leg ulcers, thanks to funding from **Hillingdon Hospitals Charity**.

The handheld device has reduced scanning time from **15 minutes to just over 7 minutes**, enabling our teams to identify different types of leg ulcers, including venous leg ulcers, more efficiently. Venous leg ulcers are the most prevalent type of leg ulcer in the UK, accounting for over 60% of all cases. They typically develop after a minor injury when prolonged high pressure in the leg veins weakens the skin.

The **Tissue Viability Nursing team** who care for approximately 4,700 patients annually, can now provide faster and more comfortable vascular assessments. With nearly half of these patients presenting with leg ulcers, **Bluedop** is expected to benefit over 2,200 individuals each year. **Daisy Culaj**, tissue viability lead clinical nurse specialist, said: *"Bluedop has significantly improved patient care. It's fast, pain-free, and allows us to assess more patients. We've already scanned over 100 patients and expect these figures to double during the winter."*

Robotic surgery achieves 500 milestone

Surgery teams at Hillingdon Hospital are celebrating a milestone event after reaching **500 surgical procedures** carried out using the **Da Vinci operating theatre robot**. Surgery number 500, a gall bladder removal, took place on Tuesday 27 January. Afterwards, the patient, 43-year-old from Ealing, said she was feeling good, with minimal pain and was looking forward to going home later the same day. The 500 cases completed at Hillingdon so far came from a number of surgical disciplines, and other milestones have been celebrated before now.

Since the surgical team began using the robot, the Trust has found that patients are able to **go home sooner** after their procedure, reporting **faster recovery** later because of the minimally invasive nature of the keyhole surgery. **Mr Slessor** said: *"It's been an amazing development for our Trust and importantly treating our patients. We are keen to innovate and provide the very best cancer surgery, so I'm just immensely proud of my team and my colleagues who have managed to achieve this."*

Northwood and Pinner Hospital Update

NHS Property Services (NHSPS) have advised they are on track to complete the build of the new Health Centre in May, and an official opening is likely to take place at the end of June/early July once the Doctor Practices (and others) have decamped from the exiting Health Centre.

The Official opening is to be performed by the King's Representative **Deputy Lieutenant for Hillingdon Borough**.

The builders carrying out the refurbishment of the former cottage hospital, on behalf of NHSPS, have assured us that the War Memorials installed in the former Cottage Hospital have been preserved and will feature in the **new Health Centre**.

In addition, NHS Property Services have advised they are currently undertaking legal discussion with a prospective building firm in respect of the residential flats to be built on the current Health Centre site once vacated.

From **Andrew Riley**,
Chairman of Northwood Hills Residents' Association

Proposed 'History of Northwood' Display Boards

You will recall that one of the suggestions we received for spending surplus NRA funds was to provide some local history information around the town centre. We are working on this idea and are thinking along the lines of several display boards installed at sites such as on the railway bridge in Green Lane or the bottom of Eastbury Road.

We have created some visuals to give an idea of what they may look like. The information on the boards would be agreed with the help of Ruislip, Northwood and Eastcote Local History Society.

We are costing the project and seeking permission from relevant authorities. We may need to spend a little over the permitted 5% of or funds on deposit, so have included an item in the Agenda for our AGM on Thursday 21st May.

This will be included in the Agenda for our AGM on Thursday 21st May.

Helping to Save our Woods

If you want to volunteer in the Woods please send an email to ruislip_woods_volunteers@hotmail.com and someone will come back to you with details about how to get involved.

Miles Gillman

woods@northwoodresidents.co.uk

The year started slowly with **Sean Barr** (the only remaining LBH Woodland Ranger) away on extended health leave so one of the Lido team agreed to supervise the volunteers in his absence. Unfortunately weekly sessions alternated between Mondays and Tuesdays and the monthly Saturdays were cancelled.

This demonstrated the impact of cutbacks in the Green Spaces woodland team as volunteers do need at least one full time member of council staff to run the sessions. Volunteers focused on coppicing around Grub Ground.

Coppicing allows more sunlight to the ground benefitting the woodland flowers and grasses in addition to tree species like **Aspen** and **Willow**.

Sean returned in March and the twice weekly and monthly Saturday sessions resumed. Work then focussed in **Poors field** and **Copse Wood**, clearing ditches to improve water flow, rebuilding bridges, and cutting back grasses to benefit the Common Spotted Orchids. Work restarted in the Local Nature Reserve (LNR) clearing paths and the grassland areas to benefit the growth of woodland plants and flowers, especially the native **Bluebells**.

Over the dry summer, there was an intense push to **clear the 1-acre pond** in the LNR of Reedmace which had taken over. With the Reedmace gone, the area is ready for a mechanical digger to arrive sometime in 2026 to remove the silt and open it up which will benefit the waterfowl.

In August 2025, the Mayor and Ruislip Ward Cllr **Phillip Corthorne** invited all Volunteers to the Mayor's Parlour to show his appreciation of the work undertaken in the woods.

Resolutions to amend the constitution of the Northwood Residents' Association (NRA)

Background.

The Executive Committee of the NRA has reviewed the aims and objectives of Clause 3 of the NRA's constitution and consider it would be useful to add an additional objective to provide a further degree of flexibility to permit the benefitting of all or part of the community within the Defined Area subject to the approval of a two-thirds majority of the Executive Committee of the NRA.

Resolution 1.

THAT a new clause 3.1.9 be inserted into the NRA's constitution as follows:

"make a payment for the purpose of benefitting all or part of the community within the Defined Area where such payment has been approved by a two-thirds majority of the members of the Executive Committee entitled to vote on the matter. Any such payment shall be subject to the 5% limit set out in Clause 41."

It was further noted that if Resolution 1 was passed, the necessary consequential amendments would be made to Clause 3 of the NRA's constitution.

Further Background.

Having reviewed the NRA's constitution further, the Executive Committee of the NRA considered it was desirable to make a number of technical amendments to the NRA's constitution. These are set out below in Resolution 2.

A member of the NRA's Executive Committee will be available to answer questions about these at the AGM and provide further explanation as required.

Resolution 2.

THAT:

a. The following be inserted at the end of Clause 13:

"Any member wishing to know the date of the next AGM should contact the Secretary to the Executive Committee. Any proposed change to this constitution must be upon the requisition in writing of at least 20 members of the Association with voting rights specifying the proposed changes, or on the instructions of the Executive Committee."

b. Clause 24 to be revised to read as follows:

"At the AGM there will be elected a Chairman, Vice-Chairman, a Treasurer and a Secretary to the Executive Committee."

c. The first sentence of Clause 25 be revised to read as follows:

"There shall be at least six Executive Committee members and no more than 18 including the four officers."

d. Clause 26 be revised to read as follows:

"The Chairman, Vice-Chairman, Treasurer and Secretary to the Executive Committee shall constitute an Emergency Committee to deal with any matters of urgency and shall report on the same at the next meeting of the Executive Committee."

e. Clause 43 be revised to read as follows:

"Alterations or additions to this constitution shall be made only at an AGM or EGM of which notice has been given to members of the Association in accordance with this constitution and where such alterations or additions are included in such notice."

Ros Plume
secretary@northwoodresidents.co.uk

**The Northwood Residents' Association 60th Annual General Meeting will take place on
Thursday 21st May 2026 at 8.00pm
at Northwood Methodist Church, Oaklands Gate, Northwood**

AGENDA

- 1) Welcome** and introduction from Tony Ellis BEM, Chairman.
- 2)** To receive the Chairman's Report.
- 3)** Guest speaker. Cllr Philip Corthorne will speak about his experiences as Mayor of Hillingdon 2025–2026.
- 4)** Vote of thanks by Valerie Mellor.
- 5) To receive the Annual Accounts** for the year ending 31st December 2025.
- 6)** To set the rate of subscription for the year (*Currently set at a minimum of £3 per household and £10 per business*).
- 7) Resolutions to amend the constitution of the Northwood Residents' Association.** Please see the accompanying document for the details.
- 8) To elect the Officers:** Chairman, Vice-Chairman, Treasurer and Secretary to the Executive Committee (subject to Resolution 2 in item 7 above being passed); currently Mr Tony Ellis, Mr Miles Gillman, Mrs Jan Harding and Mrs Ros Plume respectively, all of whom are willing to stand again.
- 9) To elect an Executive Committee:**
 - Members standing for re-election:** Mr Vikram Chudasama, Mr Andrew Egan, Mr Brian Geminder, Mr John King, Ms Hoda Lacey, Mrs Sue Mansfield, Mr Rajen Shah, Mr Trevor Sherling, Dr Neha Tanna and Mrs Ros Plume (if Resolution 2 in Item 7 is not passed).
 - Co-opted members standing for election:** Mr David Carson
 - Nominated for election:** Mr Richard Shave
- 10) To appoint the President,** currently Mrs Valerie Mellor who will retire at this AGM.
Mr Chris Duffy is recommended by the retiring executive committee as her replacement.
- 11) David Simmonds **CBE MP**
- 12) To approve expenditure for Local History boards**
- 13) Open Forum** with our local councillors and Sgt Gareth Blackburn.
Note: as local elections will take place on 7th May, the names of our councillors are not known as we go to press.

All Northwood residents and businesses are invited to attend.

NOMINATIONS in writing for Officers and Members of the Executive Committee [other than those named in 7) and 8) above], with the written consent of the candidate, must reach the Chairman by 22nd April 2026

The minutes of the 2025 AGM can be found on the NRA website: www.northwoodresidents.co.uk – type “AGM 2025” into the search box.

VOTING. Each Personal Member and Business Member has voting rights, however Associate Members i.e. those living in HA6 but not living in the borough of Hillingdon, do not.

After several years of engagement with patients and local populations to develop proposals for future Mount Vernon Cancer Centre services, formal consultation is now well underway.

The changes proposed are necessary to secure specialised cancer services for the population for the long term.

- Increasing numbers of modern cancer treatments and research trials require services to have the back up of critical care and other clinical services that are not available on the current site. This means some treatments and trials cannot be provided at the cancer centre.
- All patients with blood cancer, patients at risk of complications during treatment and some patients with long-term conditions or underlying health conditions, must already have treatment elsewhere.
- Patients who become unwell during their treatment are transferred by ambulance to other hospitals to be stabilised before being able to return to resume their treatment or be discharged home.
- Patients who experience side effects between treatments usually have to be admitted to a general hospital with remote input from their cancer centre oncologist, when they could receive treatment much faster if everything was on one site.

Without sitting alongside A&E, critical care, and other medical and surgical specialties, the cancer centre would not be able to offer the latest or most effective treatments to patients and would struggle to recruit specialist staff.

The proposals out to public consultation have been discussed over many years and include the move of the cancer centre to a new site next to the new Watford General Hospital due to be built as part of the New Hospital Programme. But to keep services as local as possible, a new chemotherapy unit is proposed in the new Hillingdon Hospital, so that most patients in Hillingdon would be able to have chemotherapy within the Borough instead of at the new cancer centre.

Chemotherapy

Under the proposals, nearly two-thirds of all North West London patients who attend the cancer centre for chemotherapy could have their chemotherapy at Hillingdon or Northwick Park Hospitals instead, with only those living nearer to Watford, those needing radiotherapy or the most complex chemotherapy and immunotherapy treatments using the new cancer centre. There would also be an expansion of the chemotherapy at home service to new treatments.

Outpatients

A chemotherapy unit at Hillingdon Hospital also means that outpatient appointments could take place there. Nearly half of all Hillingdon patient visits to Mount Vernon Cancer Centre are for specialist oncology outpatient appointments. With a new chemotherapy unit at Hillingdon Hospital, the majority of these appointments could take place in Hillingdon. Over 90% of these are follow-up appointments and one of the questions being asked in the consultation, is whether more of these could even be done virtually so people can avoid going to hospital at all.

Radiotherapy

A quarter of visits to the cancer centre from people living in Hillingdon are for radiotherapy. Whilst the proposals would move radiotherapy to the main cancer centre at Watford, advances in technology mean some people would need less sessions and therefore less journeys to the centre.

Consultation

The consultation is running until 29th March with various public events taking place online and in person across North West London, Hertfordshire, Bedfordshire and in Slough.

To find out more about events, visit: www.mvccreview.nhs.uk/get-involved

To hear from the clinicians about the need for change, visit: www.mvccreview.nhs.uk/why-change

To find out more about the proposals or respond to the questionnaire: www.mvccreview.nhs.uk

Your views and ideas on how we could improve the proposals to make sure the cancer centre can provide all the treatments it needs to, but also make services as easy as possible to access, are important. Please get involved.

Jessamy Kinghorn
Head of Partnerships & Engagement
NHS England – East of England

The recycling journey

Ever wondered where your waste goes, once we've collected it?

There are a range of processes involved, with different journeys for different materials.

Dry mixed recycling

This is taken to a Material Recovery Facility (MRF) in Edmonton, Materials Recovery Facility (MRF) in Edmonton. Here the recieverts on conveyor belts by machines into various waste and energy for the national grid. A byproduct of the process is biogas, which is produced and then used to power homes and busi-

Garden waste

After we've collected your garden waste, clippings and trimmings are taken to a processing plant in New Years Green Lane, Harefield, where they are turned into fertiliser and used to grow more more plants.

Textiles

We work with the charity Traid who offer free, dedicated collections from your door for clothing and textiles. Items are hand sorted and then re-sold in its charity shops.

All profits raised from this scheme go towards Traid's projects, which aim to improve conditions and working practices in the textile industry.

Small electricals

Items deposited in pink electricals bins found in our libraries and other council buildings are processed at a specialist facility where they are broken into pieces and hand-sorted, with batteries and circuit boards separated as they contain precious metals.

Take 2 seconds to check your recycling

Most contamination is due to items as liquids in bottles, food residues and dirty containers, plastic bags, nappies.

Find out more at www.hillingdon.gov.uk/rubbishandrecycling

LAUNCHING APRIL 2026

Men United in Song

Supporting Prostate Cancer UK

JOIN A POP-UP COMMUNITY CHOIR FOR A GREAT CAUSE!

Looking for a new, uplifting challenge? Join a fun pop-up community choir to raise money for Prostate Cancer UK! No previous experience required –

just the desire to have fun singing and support a fantastic charity.

- A brand new, pop-up community choir in Harrow, Hillingdon, & Hertfordshire
- Rehearse for **eight weeks**, ending with a big charity concert in Northwood in July 2026
- **No singing experience necessary** – total beginners welcome!
- **Raise money for Prostate Cancer UK** while having a fantastic time and making new friends

INFO & REGISTRATION

- **Wednesday, April 8 & Thursday April 9** | 7:30-9:30pm

- **CALLING MEN OF ALL AGES – FIND YOUR VOICE, MAKE NEW FRIENDS, AND HAVE A GREAT TIME!**

- **8 week project** (registration sessions: **Wednesday, April 8 & Thursday April 9** | 7:30-9:30pm)
- **Rehearsals:** Wednesdays, April 15 to June 3 (7:30-9:30pm) at Cannon Lane Methodist Church, Cannon Lane, Pinner, HA5 1HF
- **Final concert:** Saturday, June 6 | 5:30pm
- All to benefit **Prostate Cancer UK!**

✉ 0798 6543628 or email menin-song@gmail.com

Holocaust Memorial Day Schools Programme

On the 4th and 5th February, over 200 students, aged 13 and 14 years, from three local schools visited Northwood & Ruislip United Synagogue in Murray Road to take part in a Holocaust Memorial Day event.

They were welcomed by **Rabbi Shaya Green** before watching a short film, **Kindertransport**, about how hundreds of young Jewish children escaped from Nazi Germany, mostly by train into London's Liverpool Street Station. There was a deathly hush when the film ended as the film clearly made a strong impact.

This was followed by a synagogue member, **Melvyn Leach** talking about his cousin, **Willy Halpert's**, experience during the **Second World War**. He was a nine year old Jewish boy living in Antwerp, Belgium, when the Germans invaded in 1940. His father, on the spur of the moment and anticipating the worst, made the hardest decision imaginable for any parent, gave away his son to a stranger who eventually put him into hiding in a school for Catholic children somewhere in Belgium. Willy never saw his father again and remained hidden for the rest of the war.

The students were then able to view an exhibition of objects relating to Jewish life and artefacts and volunteers explained their use and significance. The session finished with the students writing one 'take away' thought or message from the morning's event onto a luggage label, a link with the name labels worn by the children on the Kindertransport.

Some students, shockingly, said that they didn't realise that Jews were killed during the Holocaust - **at least now they do!**

You are invited to a
SPRING CONCERT

BRAHMS REQUIEM

Sunday 29th March at 7.30pm
St John's United Reformed Church
Hallowell Road, Northwood, HA5 1DN

Tickets: £10 (includes a glass of Prosecco, wine or soft drink)

Welcome to Northwood Choral Society

We are a friendly choir of around 30 singers who rehearse on Sundays at 7.30 p.m, in St. John's URC Church, Hallowell Road, Northwood.

Our mission at NCS is to perform 3 or 4 concerts per year, from the classical oratorio repertoire, but we also have a summer concert where we expand our comfort zone and often do something completely different!

Our concerts are welcoming and informal, and are led by our Musical Director, **Edward Longstaff**.

We are currently preparing for our Spring Concert: **Brahms Requiem**

If you fancy joining us to either sing together or attend a concert, please do get in contact with us via the website at northwoodchoralsociety.com or email us at northwoodchoralsociety@gmail.com

News From Eastbury Horticultural Society

After a successful 2025, our winter monthly meetings at Eastbury Farm School commenced in January 2026. Tea or coffee and biscuits at 7.40, followed by an interesting range of speakers. Our next meeting is Monday 23rd March when Nic Wilson will talk about 'Four and Twenty Blackbirds'.

Visitors are very welcome to our free meetings but joining the Society cost just £7 per annum.

Annual General Meeting & Plant Sale

Our Annual General Meeting on Monday 27 April at 8 pm completes this season, free cheese and wine, and a chance to chat with fellow gardeners.

Our plant sale will be on at 10 am Saturday 16 May at 2 Grove Road, HA6 2AP.

Several coach outings are organized throughout the summer, starting at 9am and returning between 6 and 7pm, Mottisfont on 27 May, Uppark on 24 June and Ightham Mote and Chartwell on 2 September.

An additional self-drive outing is planned for Montana Garden, Cholesbury on 29 July.

For more details, please contact Sue Mansfield at sueman145@gmail.com

Our Annual Show

Our Annual Show will take place on Saturday 19 September at 3.00pm at Eastbury Farm School.

We always welcome new members; please contact our Membership Secretary, Tim Ellison, on 01923 822162 or email: ehs.members@gmail.com

Northwood & District u3a

New Year New Start! ★

In January 2026 for our Monthly Meeting we had a visit from Rickmansworth Morris Dancers. **Was it for us we wondered?** It certainly was and before they finished they invited our participation. There were 128 attendees at the meeting and about 100 were on their feet. Just the thing for a cold January. **April 1st** our Speaker will tell us all about his time as a TV and Film Extra. **May 1st.** Espionage in London! A Bonus!

If you are looking to make new friends, learn a new skill, join interest groups, come along for the outings or just chill and chat. Just go to our website northwood.U3asite.uk.

Singing For Dementia and Wellbeing Group

On every Monday from 2 until 4 pm we host a meeting for anyone who wishes to come along, either alone, or with a carer or a friend. We are there to sing, laugh and just be together in a friendly and relaxed group. No booking is required, just come along. We meet at Fairfield Church Hall, Windsor Close, Northwood Hills, HA6 1PD. You will be made very welcome. Look forward to seeing you.

Northwood Lions Club

A Clearer Future for every child

Lions Child Sight UK is dedicated to the early detection of vision issues in children. Our simple, non-invasive screenings are designed to identify vision problems so children can get the help they deserve. We work with schools to bring free screenings to children.

Children Screened - 4,590

Schools Screened - 103

Children referred - 616

Average Referral Rate - 13% (January 2026)

Why Early Vision Screenings Matter

“Up to 10% of children have an undiagnosed vision problem”
Studies show that children with corrected vision can improve their academic performance by up to 44%

“90% of vision issues can be corrected if detected early”

How it Works

Schedule - we contact and arrange a free eye screening with local schools.

Screening - Our trained volunteers use specialised equipment to conduct quick, non-invasive screenings.

Referral - If a vision issue is detected - we can help provide referrals to local eye care professionals.

Local Lions Volunteers - will be training in Northwood during February and conducting screenings at schools in Northwood and Ruislip during March 2026.

For more information about this and other Lions Youth Projects - please contact: Susan Carr - suejcar16@gmail.com

LIONS CHILD SIGHT UK

Helping children see their world more clearly

What is Lions Child Sight UK?
Lions Child Sight UK is a vision screening initiative led by trained Lions volunteers using advanced, non-invasive vision cameras. It helps detect eyesight issues in children aged 4-7, before they affect education and wellbeing.

Why it Matters
1 in 5 children have undiagnosed vision issues
80% of learning is visual
Over 75,000 UK children miss out on NHS screening each year.
Screening can uncover conditions like amblyopia, astigmatism and refractive errors - often before symptoms appear.

Proven Impact in Schools
In recent screenings of children carried out by trained Lions members we note that 10% of those children screened have a vision issue. Screenings are quick, child-friendly, and conducted by DBS-checked fully trained Lions volunteers.

Get Involved
For more information about Lions Child Sight UK visit <http://lionschildlightsightuk.co.uk/>
For more information about Lions and to find your local club visit <https://lionsclubs.co.uk> or scan the QR Code.

Mount Vernon Hospital Comforts Fund

The Mount Vernon Hospital Comforts Fund continues its long-standing mission to provide extra items that enhance comfort and wellbeing for patients across the hospital. Through proceeds from our volunteer-run Comforts Fund Book Shop, Sweet Shop/Newsagent and Look-In Charity Shop, we fund essential equipment and amenities requested by wards and clinical teams.

One of our most recent donations includes a new set of wheelchairs for the Mount Vernon Cancer Centre—a contribution that supports patients and staff every day. We are proud to continue funding items such as this year after year.

Road Stewards Needed

The Northwood Residents' Association is currently looking for **volunteer** Road Stewards in several areas of Northwood.

Road Stewards play an important role in helping us stay connected with residents, sharing information about local issues, and supporting community initiatives.

If you live in one of the areas listed and would be willing to help, we would be very pleased to hear from you. The role is straightforward and a great way to support your local community.

Interested in helping?

Please contact the NRA committee at
info@northwoodresidents.co.uk
 for more information.

Road Stewards Currently Needed

Holy Trinity Named Top Primary School in Hillingdon

We are delighted to share some wonderful news with the Northwood community

Apply for your place at the Top rated primary school in Hillingdon

Based on 2025 outcomes at KS2

Holy Trinity Primary School

Let your child flourish with us

www.holytrinitynorthwood.org

Holy Trinity Church of England Primary School has been recognised as the **top-rated primary school in Hillingdon this year**, a significant achievement reflecting the dedication of pupils, staff, governors, and families.

This recognition is built on strong academic results, high expectations, and a nurturing environment where every child is known, valued, and supported to flourish. Pupils consistently achieve excellent outcomes in reading, writing, mathematics, and phonics, alongside a broad and balanced curriculum that also promotes wellbeing, creativity, and character development.

Beyond the classroom, Holy Trinity plays an active role in the life of Northwood, working closely with local churches, community groups, and partner schools. Recent improvements to the school library and outdoor spaces have further enriched the learning environment and strengthened the school's role as a community hub.

As a Church of England school, Holy Trinity's vision of being "**rooted, growing, and flourishing**" underpins everything it does. We are proud this ethos has been recognised across the borough and thank the Northwood community for its continued support.

If you would like to come and visit and go on a tour with the Head of School, please call **01923 822529** or visit www.holytrinitynorthwood.org

Northwood Classical Music Group

Our review of "**200 years of British Music**" continued in the last quarter of 2025 from Pinto and Field to include the likes of Sullivan, Stanford, Parry, Elgar and Coleridge-Taylor.

Unfortunately, at this point our presenter, **Alan Mills**, had to return to Ireland for personal reasons and was unable to return to complete his plans. We were very fortunate, then, that one of Alan's friends, the composer **Lloyd Moore**, was able to step in to complete the 200 years, discussing and illustrating works by Britten and his mentor Frank Bridge; also Walton, Holst, and Vaughan Williams.

We are now doubly fortunate that Lloyd has agreed to continue his discussions with us and plans next to cover the Austro-Germanic world of the late-Romantic/early 20th century.

Thus we will review the Mahlers, both Gustav and Alma, perhaps Bruckner, but certainly Korngold and Weill, the latter pair particularly interesting for their involvement after their flights to America from Nazi Germany in the new opportunities offered there by theatre and film in the early 20th Century.

If you enjoy having the boundaries of your musical knowledge stretched, please contact Mike Paddy on 07568495584 for more information.

1st Northwood Scout Group

We will be fund raising for Christian Aid Week 10-16 May 2026 to support create a world where everyone can live a full life, free from poverty

NORTHWOOD FOOTBALL CLUB

The Skyline Roofing Stadium, Northwood Recreation Ground, Chestnut Avenue, HA6 1HR

⚽ In 2026, Northwood Football Club celebrates 100 years at the heart of our community, and this milestone year is about far more than football.

To mark the centenary, the club has partnered with Mount Vernon Cancer Centre Charity, supporting the **Lynda Jackson Centre**, which provides vital emotional, practical and wellbeing support to people living with cancer and their families locally. Throughout the year, a programme of events and initiatives will raise funds while bringing residents together.

At the centre of the celebrations is the **Northwood100 Fitness Challenge**, a community-wide initiative encouraging people of all ages to get active while supporting a local cause. Adults are invited to **run/walk/swim 100km between April and July**, finishing with a 5km run at WoodsFest100 on 5 July 2026 at Northwood Recreation Ground.

Participants can take part individually or as a team, track their progress online and gain sponsorship for their efforts. Children are also joining the challenge, aiming to complete **100 laps over the three months**, whether at school, in the garden or at a local sports ground, helping to build healthy habits and a sense of achievement from an early age.

The initiative is proudly supported by ambassador **Richard Whitehead MBE**, double Paralympic gold medallist, whose involvement highlights the inclusive and inspirational spirit behind the challenge. For adults and children alike, the benefits go beyond fitness: setting personal goals, building resilience, strengthening community connections and contributing to a cause that directly supports local families.

Excitement is also building ahead of the **Celebrity Football Match** on Bank Holiday Monday, 4 May 2026, when well-known names from sport and television will take to the pitch for a fun-filled day raising funds for Mount Vernon.

Northwood FC may be a small grassroots club, but its ambition for 2026 is significant, to celebrate 100 years of football while leaving a lasting legacy of community impact.

A fun club race night with recorded races and friendly betting.

For more details, please visit www.northwoodfc100.co.uk

northwoodfc.com

#UPTHEWOODS

We exist to enable our older residents to get out and enjoy meeting others in a variety of social settings. These include age appropriate exercise and yoga sessions, lunches and a **Friendship Group** as well as occasional outings. Thursday's Soup and Sandwich lunch has now become weekly to replace the Wednesday Lunch Club as the lighter meal is preferred by many.

We are grateful to the local schools who support us in a number of ways. **Northwood College** selected us as their charity for their two Christmas carol concerts this year and raised **£785.50**. Frithwood School supplied us with harvest festival gifts. Hillside Junior School, St Helen's and Northwood College all send students to encourage intergenerational contact during term time. Bishop Ramsey hosted us to several community events throughout the year and we are looking forward to another one on 23 April.

The annual produce stall, held at Oaklands Gate's Christmas Craft Market, achieved a record result of over £1,000. Our thanks to volunteers **Richard, Ros** and **Jo** for their hard work in making all the jams, jellies and chutneys. Thank you too to all those who helped sell them.

Scheme Manager **Angela Flux** is working with colleagues across NHS, Local Authority and the Voluntary Sector to agree how we can work together to improve the quality of life for older people in Hillingdon.

Members, Staff and Volunteers celebrating our oldest member Beatie's 106th Birthday

Anyone over 60 is eligible to join. Membership is free though a small charge is made for activities and meals to help cover costs. Where possible transport is provided for those who need it.

We still need more volunteer drivers as well as befrienders for those who find it difficult to get out. The help provided is really appreciated and makes a huge difference to our members' lives.

Please contact the office on **01923 842494** or email WestLondon@mha.org.uk

Claudia Merck addressing the February 2026 RNELHS meeting on Grim's Dyke: the story of a house and its inhabitants

Ruislip, Northwood and Eastcote Local History Society

The Ruislip, Northwood and Eastcote Local History Society has enjoyed two well-attended meetings so far in 2026. In January, **Stephen Fielding** gave us the background on Sir Joseph Bazalgette and his remedying of both **"The Great Stink"** and deficiencies in London's water supply, and explained how most of Bazalgette's innovations remain in use today. In February, **Claudia Merck** gave us the architectural background to Grim's Dyke house in Old Redding and the lives of its owners, including **WS Gilbert** who tragically died there.

On 21 April **Adrian Waddingham** will give an illustrated talk on: **Breakspear: The English Pope**. After that, the Society will break for summer outings, with meetings resuming on 15 September.

Speaker meetings are held from September to April on the third Tuesday of each month at 8pm at St Martins Church Hall, Ruislip. New members and visitors are always welcome.

For further information and for summer outings, please visit www.RNELHS.org.uk

NORTHWOOD AND DISTRICT COMMUNITY ASSOCIATION

The Northwood and District Community Association is a friendly local association offering a number of sporting and social activities.

Membership is open to all and costs £10 per year.

Classes are held in local Church Halls and are reasonably priced. They include:

- A strength and balance class for the over 50s,
- yoga, table tennis, short mat bowls, badminton, rambling
- walking and card and board games sessions.

Your first 'taster' class will be free.

For more information on any of our activities contact:

HARROW CHORAL SOCIETY

Sacred Music for a Spring Evening

Rehearsals are underway for Harrow Choral Society's Spring Concert on Saturday 28th March at St Alban's Church, North Harrow, when the choir will sing **Dvořák's sublime Stabat Mater**, his best known, and most often performed, sacred work.

The choir is delighted to welcome Guest Conductor **Jennifer Sterling** and will be accompanied by professional soloists and orchestra.

Written in 1876, Dvořák's Stabat Mater has been called both a sacred cantata and an oratorio, consisting as it does of exquisite solo arias interspersed with tuneful choruses.

The compassionate words and beautiful music combine to produce a profoundly moving work on the theme of **Easter**.

Could You Be Our Newsletter Advertising Manager?

We have been fortunate to having Claire manage advertising in the last two newsletters, but as she is moving away from Northwood this year, we are seeking a volunteer to take over advertising for the newsletter.

The Advertising Manager role includes:

- Sending newsletter deadline information to regular advertisers and new enquiries
- Issuing invoices once bookings are confirmed
- Sending final artwork to the Editor before the copy deadline
- After publication, sending advertisers a complimentary copy and receipt
- Liaising with the Editor to keep him informed of progress

Claire will guide you through the procedures – help will always be available.

Interested?

Please email: info@northwoodresidents.co.uk with your contact details and any questions you may have.
