the Earth
Hillingdon**

Free film showing

How a people-owned energy plant grew from art and inspiration

The story of 15 neighbours and 5 schools in Walthamstow who combined their solar panels into a single community energy unit.

Date: Saturday 19th September 2026

Time: showings at 11.30am and 2pm, with biscuits & discussion

Venue: Uxbridge Quaker Meeting House, 150 York Road UB8 1QW
Part of the **Hillingdon Cleaner Greener Festival**

Could we do this in Hillingdon?
Could your neighbours build a people's power station?

Booking isn't necessary but it will help us if you scan here for free tickets + more info.
